

§ 617.24

20 CFR Ch. V (4-1-06 Edition)

schools are at least as effective and efficient as other institutional alternatives, pursuant to §§ 617.24, 617.25, and 617.26.

(d) *Standards and procedures.* The State agency shall document the standards and procedures used to select occupations and training institutions in which training is approved. Such occupations and training shall offer a reasonable expectation (not necessarily a prior guarantee) of employment following such training.

(1) *Standards.* The State agency shall approve training in occupations for which an identifiable demand exists either in the local labor market or in other labor markets for which relocation planning has been implemented. If practicable, placement rates and employer reviews of curriculum shall be used as guides in the selection of training institutions.

(2) *Procedures.* In determining the types of training to be provided, the State agency shall consult with local employers, appropriate labor organizations, Job Service Improvement Program Committees, JTPA SDA grant recipients, PICs, local educational organizations, local apprenticeship programs, local advisory councils established under the Carl D. Perkins Vocational Education Act, and post-secondary institutions.

(3) *Exclusions.* In determining suitable training the State agency shall exclude certain occupations, where:

(i) Lack of employment opportunities exist as substantiated by job orders and other pertinent labor market data; or

(ii) The occupation provides no reasonable expectation of permanent employment.

§ 617.24 Preferred training.

Training programs that may be approved under § 617.22(a) include, but are not limited to—

(a) On-the-job training,

(b) Any training program provided by a State pursuant to Title III of the Job Training Partnership Act,

(c) Any training program approved by a private industry council established under the Job Training Partnership Act,

(d) Any program of remedial education,

(e) Any training program (other than a training program described in paragraph (c) of § 617.25) for which all, or any portion, of the costs of training the worker are paid—

(1) Under any other Federal or State program other than this Subpart C, or

(2) From any other source other than this section, but not including sources personal to the individual, such as self, relatives, or friends, and

(f) Any other training program approved by the Department.

[59 FR 936, Jan. 6, 1994]

§ 617.25 Limitations on training under Subpart C of this part.

The second sentence of amended section 236(a)(1) of the Act provides that an adversely affected worker shall be entitled to have payment of the costs of training approved under the Act paid on the worker's behalf, subject, however, "to the limitations imposed by" section 236. The limitations in section 236 which are implemented in this section concern the restrictions on approval of training which are related directly or indirectly to the conditions on training which are approvable or on the funding of training costs.

(a) *On-the-job training.* The costs of on-the-job training approved Subpart C of this part for a worker, which are paid from TAA funds, shall be paid in equal monthly installments. Such costs may be paid from TAA funds, and such training may be approved under subpart C of this part, however, only if the State agency determines that:

(1) No currently employed individual is displaced by such eligible worker, including partial displacement such as a reduction in the hours of non-overtime work, wages, or employment benefits;

(2) Such training does not impair existing contracts for services or collective bargaining agreements;

(3) In the case of training which would be inconsistent with the terms of a collective bargaining agreement, written concurrence has been obtained from the concerned labor organization;

(4) No other individual is on layoff from the same or any substantially equivalent job for which such eligible worker is being trained;
